**HOD - Fashion Design**

**"You can't use up creativity. The more you use, the more you have." - Maya Angelou**

Dr. Sukhvir Singh's accomplishments in the field of textiles demonstrate his boundless creativity and unwavering dedication to his craft.

Dr. Sukhvir Singh is a highly esteemed academician in the field of textiles, known for his expertise in fabric quality, technical textiles, fashion merchandising, and computer-aided fashion design. He holds a Bachelor's degree from the Technological Institute of Textile & Sciences, as well as a Master's and a Ph.D. from NIT Jalandhar. With over 10 years of experience in design academics, Dr. Singh has worked with prestigious institutions such as Mody University of Science and Technology, Amity University, Vardhman Textile, and NIT Jalandhar. He has completed numerous funded projects, the outcomes of which have been published in reputable international research journals indexed in SCOPUS/SCI/WOS. As Head of School of Design at Mody University of Science and Technology, Dr. Singh served as a member of the Board of Studies, Academic Council, and IQAC. He has also supervised Ph.D. candidates on topics with strong social implications, demonstrating his commitment to advancing knowledge for the betterment of society. In addition to his impressive accomplishments, it's worth mentioning that Dr. Sukhvir Singh is currently an Associate Professor with Dr. D. Y. Patil School of Design. Dr. Singh has been recognized for his contributions to both academics and research with awards such as the "Best Teacher Award" and the "Best Researcher Award." He has also showcased his creativity by receiving the "Most Creative Design Collection" award at the Jodhpur Couture Show.
