

Harshada Shinde

"Architecture is not just about creating a space to live in, but creating a place to belong." - Wang Shu

As the owner of H S Design Studio, Ar. Harshada Shinde is a talented Architect and Interior Designer with a vast and varied experience of designing and delivering a wide range of architectural projects for the past 7 years. Harshada started her own practice in September 2019, and since then, she has completed over 20 architectural projects and 25 interior projects. In addition, she has taught mathematics to 6th to 10th-standard students while working in Arunachal Pradesh in 2016-2017. Harshada recently worked with the D.Y.Patil School of Design, Tathawade, where she mentored first-year Interior Construction students. Her passion for creating spaces that feel like home is reflected in her designs, making her a trusted and reliable choice for clients.
